## OFFER ACTION FOR COVER FANS

### Peru, Honduras Will Have UPU Issues

Two more UPU commemorative sets are expected from nations in the Western Hemisphere in February according to Nicolas Sanabria Co.

A set of nine airmail stamps which Peru had prepared for the Lima meeting of the Postal Congress of the Americas and Spain, but did not issue, will be appropriately overprinted to mark the UPU anniversary.

It will read, "UPU 1874-1949"

Honduras will produce both a souvenir sheet and a set of six airmail stamps. The souvenir sheet in existence since 1940 when it was issued for the 50th anniversary of the Pan American Union both perforate and imperforate will have an overprinting with the wording, "UPU 75 Aniversario 1874-1949".

In addition the six stamps produced for the First International Archaeological Congress of the Caribbean in 1947 will be overprinted with the same legend. These are airmails listed in the Scott Catalog as C174-169.

Should the original face value of the stamps be kept the retail selling price will be over five dollars.

### University Opening Rates Commemorative

A stamp with a face value of 3 yen was issued on February 12 to mark the opening of the Ryukyuan University by the Ryukyu Communication Administration. On that date the officers were installed and the doors of the school opened to the student body.

A picture of the school building, which is located on the site of historic Shuri Castle, appears in the stamp design.

In the background a shadow building is a replica of the throne room of the Castle destroyed during the last war.

According to T. Mizutani, Yokkaichi, Japan the translation of the Chinese characters in the stamp design read "Memory of Inauguration of Ryukyu University".

### Netherland Florin Revalued Downward

A more advantageous rate of exchange between the Netherland florin and the United States dollar became effective February 2.

On that date money orders drawn to be paid in Holland are figured at 1 florin equals 26½ cents.

**DESIGN FOR THE 1951-52 "DUCK" STAMP.** Maynard Reece, staff artist and museum assistant at the Iowa State Department of History and Archives, Des Moines, Iowa submitted the winning design for the new Duck stamp, to be issued July 1. It pictures two gadwall ducks jumping from a pond. Selection of Reece's entry was made on January 25 when a jury of notable personages interested in wildlife preservation, and members of the Fish and Wildlife Service of the Department of the Interior met to consider the more than fifty entries in the annual Duck stamp competition. ### Annual Easter Seal Sale Raises Funds To Aid Crippled Children, Adults; Begins On February 25

Of special interest to stamp collectors is the 1951 Easter Seal which will be mailed into 26½ million American homes late in February carrying a message of hope for crippled children, announces Lawrence J. Link, executive director of the National Society for Crippled Children and Adults, the Easter Seal Agency. Easter Seals are the principal means of support for services for thousands of America's crippled children. Seals will be distributed in sheets of 100 during the 1951 campaign, February 25 to March 25, by the National Society through its 2,000 affiliated societies throughout the United States, District of Columbia, Hawaii, Alaska, and Puerto Rico.

In magenta and spring green, the 1951 Seal, symbol of the 18th annual appeal, bears the picture of a crippled girl on crutches, raising her hand to grasp the helping hand of an adult from the upper right of the Seal. The hand is symbolic of the help given to crippled children by the American people.

through Easter Seal contributions. The legend, in magenta, reads "HELP CRIPPLED CHILDREN" and bears the date 1951.

The stamp is nearly an inch in height, a little more than three-fourths of an inch in width, and contains a total of 58 perforations. The printer's mark appears on the 55th Seal and the union label appears in the lower right hand corner of the sheet in the bottom perforated margin. Progressive color proofs are available.

The first Easter Seal campaign was held in 1934. Copies of this first Seal are valued today at \$9 a sheet. This Seal, which portrays a crippled child framed by white cross on an orange background, was designed by the late J. H. Donahy, cartoonist of the Cleveland Plain Dealer. Donahy, who also designed the 1935 and 1936 Seals said that the simplicity of the design symbolizes the crippled child simply asking

### First Airmail Flights Announced For Kentucky And Florida Cities; Four Slogan Cancellations Offered

For the first time in a number of months, the Post Office Department has created some activity for the slogan cancellation collectors and the first flight airmail cover fans. On two of the slogans, cover enthusiasts will have to act immediately if they want to get in on the deal for they will have a short life, one to expire on February 23 and the other on February 28. The first flights will include a stop at Owensboro, Kentucky on AM-47 where a cachet will be supplied, and at St. Petersburg Florida where that city will be included as a stop on AM-6. For the latter there will be no cachet. The bulletin describing the mail flights reads as follows:

The Post Office Department announced that on or about March 1, 1951, air mail service will be inaugurated at Owensboro, Kentucky, over route AM-47.

Special cachet will be provided for Owensboro and the usual treatment of philatelic mail will be authorized.

First flight air mail covers sent to the Postmaster at Owensboro must be prepaid at the appropriate air mail postage rate. Double postal cards and double post cards intended for return reply purposes are not acceptable as first flight covers.

All covers should be accompanied by a letter authorizing the holding of the covers for the first flight and requesting the application of the cachet. Space approximately 2½ inches by 2½ inches to the left on the address side of all covers is required for the cachet.

No provision will be made for point to point covers. However, at request of collectors, covers receiving cachet will be given directional service only to an office designated by the General Superintendent, Postal Transportation Service, and served by the first flight in each direction, and will there be backstamped and dispatched onward to destination.

The Post Office Department also announced that on or about March 1, 1951, air mail service will be inaugurated at St. Petersburg, Florida, on route AM-6.

No official cachet for first flight covers will be authorized for St. Petersburg, as cachet has previously been furnished for air mail service at this point. However, souvenir covers received by the Postmaster at St. Petersburg will be dispatched to first flights, if practicable.

To obtain an impression of the following slogan cancellations on their prepared covers, collectors must mail them to the respective postmasters with the request that the slogan be applied. The prepared envelopes must bear a 3c stamp, a name and address, a stuffer and have the flap sealed or tucked in.

For one day only, the Brooklyn, N. Y. post office will use, "150th ANNIVERSARY/NEW YORK NAVAL SHIPYARD". That day will be February 23.

Reading, Pennsylvania will use a slogan until February 28 which says, "OPERATION SECURITY/U. S. ARMED FORCES/ENLIST NOW".

From January 1 until June 30, the post office at Portland, Oregon will make use of a slogan die

which publicizes the centennial of that community. It reads, "PORTLAND, OREGON/CENTENNIAL/1851-1951".

A California technical school celebrating the 50th anniversary of its founding inspires the fourth slogan. It is applied at the San Luis Obispo, California post office and states, "50TH ANNIVERSARY/CALIFORNIA STATE/POLYTECHNIC 1901-51".

### Upped Postal Rates Bring New Air Letter

In April, Iceland will issue a new air letter brought on by an increase in the postal rates. Face value of the new sheet will be 1.50 Krona, with the selling price at 1.75Kr.

According to Jonas Hallgrímsson of Reykjavik, Iceland, the Post Office Department had not set a definite first day of issue for the air letter, just the general "some time in April" release date.

### Vatican Stamps For Dogma Of Assumption

The Vatican now has in preparation two stamps of a commemorative nature to mark the declaration of the dogma of the Assumption of Mary the Mother of God. According to Vittorio Lo Bianco of New York City neither the designs or the first day of issue have been announced.

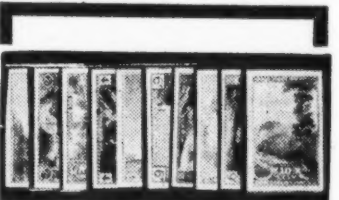

Also to be released soon is a new air letter completely different in style from the three issued to date.

### Death Calls Founder Of Pennsylvania Stamp Club

Members of the Northeastern Pennsylvania Philatelic Society are mourning the death of Maurice H. Goldstein, founder, organizer and first president of the club.

He was stricken February 4 while attending an anniversary dinner.

## Idea Spurs Exchange Among Club Members

A sudden burst of stamp-collecting activity has come to the meetings of the Kansas City Philatelic Society with the establishment of its "Stamp Bank", an organization believed to be the first of its kind in the stamp club world. Originated primarily as an exchange medium and with the purpose of stimulating philatelic activity among club members, the bank did a rushing business during its opening business session at the club meeting on Saturday afternoon, February 3.

However, despite its enthusiastic reception by Kansas City collectors on its opening day, even busier sessions are predicted for the bank at future club meetings, as other collectors join in making stamp "deposits" and "withdrawals".

Here, briefly, is how the Stamp Bank is operated by the Kansas City club:

Stamp-filled envelopes with a catalog value of \$1, \$2, \$3, \$4, or \$5 are "deposited" with the bank by club members. No stamp having a catalog value of less than 5c is included, except where such low-value stamps are necessary to complete a set in which a majority of the stamps catalog 5c or more. Damaged heavily cancelled or otherwise undesirable specimens are of course excluded, the bank reserving the right to reject envelopes containing stamps considered undesirable.

Stamps in any one envelope are from some related grouping—all Air Mails, U. S., British Colonials, etc. In its first day of operation the bank received a good variety of material, with U. S. and British Empire stamps making up the two largest single groupings.

In return for stamps deposited, members receive "Stamp Banknotes" of equivalent value (see the accompanying illustration). These in turn may be used to purchase envelopes of stamps deposited by other members, or may be held, sold or exchanged among fellow-collectors as desired. In order to publicize the opening of the bank, numbers of the banknotes were overprinted with the word "Specimen" and were distributed with other publicity material to collectors in the Greater Kansas City area.

To defray operating costs of the bank, a fee of stamps cataloging 20c is charged for each \$1 envelope deposited. Stamps so received are to be auctioned from time to time as sufficient quantities accumulate.

Clubs in other areas which may be interested in starting a Stamp Bank for the benefit of their members can get complete details on the Kansas City operation and a specimen copy of the banknotes used by writing to the President of the Kansas City Philatelic Society. Address your letter to: David Lawlor, 2912 Troost Ave., Kansas City 3, Mo.

## Price List Features British Colonials

Collectors of the stamps of the British Commonwealth of Nations should find a lot to interest them in the new 1951 Price List of such stamps just released by D. Friedman, Box 21 Planetarium Sta., New York 24, N. Y.

It is sent to those accompanying their requests with a 3c stamp to cover the mailing and handling costs.

A number of items, 516 of them to be exact, have been reduced drastically in price in a general stock clearance. These are priced at 1/3 catalog or less. Mr. Friedman also maintains a want list service for those items too scarce to offer through the medium of a general price list.

## Special Cachet For First Day Of Slogan

A special cachet has been prepared by the Hawaiian Centennial Philatelic Exhibition and will be used on covers mailed the first day of use of the slogan cancellation honoring the 100th anniversary of Hawaii's first postage stamps, the famous "Missionaries".

This cancellation, will be placed in use March 1, at the Honolulu Post Office. It reads:

1851—CENTENARY—1951  
OF HAWAII'S  
FIRST POSTAGE STAMPS

The attractive cachet will depict a map of the Hawaiian Islands with appropriate wording in the upper right portion of the map and a reproduction of the HAPEX official seal in the lower left portion. The 2c Hawaii No. 1 is the central design of the HAPEX seal.

All collectors desiring this cachet should send their stamped, self-addressed covers to the Chairman, HAPEX Seals & Cachets, Alvin H. Tam, P. O. Box 3028, Honolulu, Hawaii.

The left half of each cover should remain blank, allowing plenty of space for the cachet to be applied. Collectors may send as many covers as they desire. A remittance of 10c must be enclosed for each 3 covers to allow for the handling, servicing and mailing.

All covers must reach Honolulu on or before February 28. It is recommended that they be dispatched by airmail because regular mail normally takes about 10 days to reach Hawaii from most points on the mainland.

This special cancellation will be used on one machine for a period of four months extending through 30 June, the last day of the centennial exhibition being held in Honolulu this summer.

## Metco Members To Hear California Doctor

Officers and members of the Metco Stamp Club extend a cordial invitation to stamp collectors in the vicinity of 1 Madison Ave., New York City, to be present for their meeting of February 26.

At that time associate medical director Dr. C. Coleman Ferwick of the Metropolitan Life Insurance Company's home office in San Francisco, Calif. will exhibit his specialized collection of Canal Zone stamps and philatelic material.

The meeting will come to order at 5 p. m. in room 270 of the Tower Bldg. at 1 Madison Ave.

for the right to live a happy, useful life.

Last year's Easter Seal appeal raised funds for direct service to 228,000 crippled children and adults in all parts of the nation. It financed either wholly or in part such facilities as convalescent homes, treatment-training centers, special classes, mobile clinics, diagnostic clinics, summer camps and a total of 170 cerebral palsy centers. It also made possible the services of medical specialists, therapists, special teachers, vocational guidance and employment counselors. In the first printing of the 1934 Seal, which ran a million copies, the horizontal rouletting between rows 1 and 3 at the top of the sheet measured 9 1/2. The second printing was a run of 23 million. While varnishing was used to give brilliance to the orange color, no progressive

## Nyasaland Protectorate Will Help Collectors With First Day Covers For Diamond Jubilee Commem Set

Jubilee Day, May 15, will be the first day of issue for the set of four commemorative stamps to be issued by Nyasaland Protectorate to celebrate its Diamond Jubilee. Sale of the stamps will be for three months only with the withdrawal taking place at the close of business on August 15. The design will incorporate the Arms of the old British Central Protectorate of 1891 and the present Arms together with a portrait of King George VI. Denominations and colors are to be 2d red and black, 3d blue and black, 6d violet and black and 5/- dark blue and black. The stamps will be in horizontal format.

Special arrangements for first day covers have been made by the Postmaster General to ensure that the orders of dealers and the public will be carried out on May 15, 1951.

The stamps on all first day covers will be cancelled with a special cachet, while the date stamp of the particular post office will be placed on the envelope away from the stamps to ensure that they are not unnecessarily defaced.

First day covers can be sent at any time before the 15th May, duly addressed, to the Postmasters at all post offices together with a remittance for the number of stamps involved. These covers will be stamped according to requirements, and all such covers will then be forwarded to Zomba for the cancellation of the stamps by the special cachet. First day covers must be clearly marked as such.

First day covers can be registered if desired provided the covers are properly marked and the remittance includes the registration fee of 4d.

An official Nyasaland first day cover is being printed and will be on sale well before the Jubilee date through the African Book Centre, P. O. Box 251, Blantyre, Nyasaland to whom trade orders should be sent. These covers will be foolscap size envelopes, 9" x 4", and will bear reproductions of the Arms of the Protectorate in 1891 and 1951, with the words "Nyasaland Diamond Jubilee, First Day Cover".

Orders for these envelopes should be placed well in advance with the African Book Centre, either for use as first day covers for individual orders or for the use of dealers and others for resale to the public. The design of these covers is, of course, copyright, but there is no objection to the use of other envelopes which, however, must be clearly marked "First Day Cover" if they are to be included in the special franking and posting.

A special commercial sized envelope, 6" x 3 1/2", is also being produced by the African Book Centre for use during the remainder of the Jubilee stamp issue period. The design will be similar to the First Day Cover but without that special imprint. A further special over in the larger size without the words "First Day Cover" will be on sale for collectors who will wish to buy stamps cancelled with the special cachet which will be used at the Annual Agricultural Showground in July 1951. This special cancellation will be a reproduction of the old barred "N" frank used at the old Chirompo Post Office when the first B. O. A. stamps were brought into use in 1894.

Nyasaland postage stamps are popular among collectors, not only for the attractive design of the series, but also, like the other smaller Colonies, they are comparatively few in number among the world's mails from larger communities. The demand for previous commemorative issues, which were common to other Colonies, has been very good.

## F. R. A. McCORMICK

We regret to announce the death of F. R. A. McCormick of Dublin, Ireland who for the past two years has written the "Notes From Eire" for Linn's Weekly Stamp News.

Some time ago, Mr. McCormick was stricken with a series of heart attacks which coupled with a diabetic condition brought on his demise.

Besides his "Notes", he had also been responsible for several brochures dealing with Irish Postmarks and Irish Slogan Cancellations. At the time of his death he had several other philatelic studies in the process of compilation.

## Can Reserve Frames For Hobby Exposition

When the World Hobby Exposition opens its doors for ten days on March 30, stamp collecting will be well represented with 150 frames of material from all parts of the United States.

It will be possible for any collector to enter his material providing that he makes his reservation soon enough and accompanies it with the \$1.50 per frame, frame fee. Application forms can be obtained from Walter N. Emerson, 7 S. Dearborn St. Chicago 3, Ill.

Suitable merchandise prizes and awards will be given to winning entries.

## NPS Bureau To Answer Collector Questions

The National Philatelic Society has opened a new department not usually operated by a national society. It is called an Information Bureau and is headed by Don Maxwell.

Mr. Maxwell has gathered around him an imposing array of experts covering almost every phase of collecting. Any questions that puzzle collectors will be given attention by experts.

There are, however, several countries in which an expert is needed. Any one wishing to help Mr. Maxwell in this work should contact Secretary C. V. Webb, 55 Harmon Ave., Painesville, Ohio.

## Postpone Souren Sale To Mid-March Dates

Bernard D. Harmer of H. R. Harmer, Inc. advises that the postal restrictions necessitated by the railroad "strike" have made it necessary to postpone the auction of the first part of the Y. Souren Stock from February 26, 27, 28, March 1 to March 12, 13, 14, 15.

The postponement necessitates a revision to one other auction scheduled by Harmers. The United States auction of March 19, 20, 21 will take place on March 26, 27, 28. All other sales will take place as scheduled.

## Aloha and Waikiki

Altho that is the only bit of Hawaiian we know, both Mrs. Linn and myself intend to invade the Hawaiian Islands in June to attend the big stamp show to be held by Hui Pooleka O Hawaii. That means by the Stamp Clubs of Hawaii. The date of arrival in the islands will be June 25th and we intend visiting the show on June 27th to 30th, after which we will remain in Honolulu until July 7th when we return to San Francisco on our way home. Going over we will take the Union Pacific Overland out of Chicago on Sunday night, June 17th and will sail from San Francisco on the Matson Line SS Lurline on June 20th. While in Honolulu we will stop at the Moana Hotel which is on the beach of Waikiki. Returning we hope to stop in San Francisco and perhaps go to Los Angeles and other nearby points for a few days and then return home. Our principal object in announcing our plans at this time is to learn of others who will make the same trip as it would be lovely to make contacts with such stamp people who are going on this trip in order that we might get together on the boat. Therefore anyone who is going will please get in touch with us and we will see that arrangements are made so that all can become acquainted on the way. We might add that reservations will be very difficult to get later and anyone who expects to take the trip should make his reservations immediately. Address your inquiries to The Kelso Travel Bureau, Euclid & Green Sts., Pasadena, Calif.

GEO. W. LINN

The show will be over on June 30th, but our stay will not end until July 7th and in the meantime we hope to have the pleasure of meeting any of our readers who may be in Honolulu. Let us hear from you in advance if possible.

We note from the advance prospectus of the show that some souvenir seals which are replicas of the early Missionary stamps will be issued in sheets. These come in three colors and in one of the printings a sheet contains an error in the way of an inverted figure "2" and also a tete-beche pair. These are offered at a premium if a quantity is purchased. We also note that there will be a series of cacheted envelopes issued. It has been announced that there will be a different cancellation each day of the show, one for each of the four days. The prices on these have not yet been announced and the number of different envelopes available has also not been announced.

I am making the above announcement because I believe a lot of our readers would like some of these seals and covers and I am trying to work out a plan whereby I can offer to mail the seals to you and supply you with the souvenir cacheted covers and autographs of both myself and Mrs. Linn on the covers if desired. I also happen to have a sheet of 100 of the 2c and a sheet of 100 of the 5c Hawaii surcharged stamps of the United States, Scott numbers 647 and 648. These two stamps list \$1.65 for the pair either used or unused. To have them on covers from Hawaii on the occasion of the 100th Anniversary of the first Hawaiian postage stamps would make a very interesting cover and I am going to try to figure out a plan where I can offer 100 such covers.

Details of all of this plan will be printed as soon as I can get the necessary and correct information from Hawaii. We will then make the offer in a large advertisement in this paper and book orders. These plans are being made in the belief that we will be doing a service to those of our readers who will appreciate having one of these unusual Philatelic Souvenirs of the Centennial of the Hawaiian Postage stamps, the famous stamps known throughout the world as the Missionaries.

As I said at the start, the only Hawaiian language I know at present is Aloha and Waikiki but I feel sure I can understand the dancing in the grass skirts and feel that with Mrs. Linn to chaperone me I will not get into any serious trouble.

## Another Good Motto Gone Wrong

I am referring to the one that is carved on some of the prominent buildings in Washington D. C. that house the United States Post Office Department. The Motto was a lovely one, something about "Neither wind nor rain" and some other things can keep "these couriers" from delivering the mail. It was a nice thought but whoever figured it out did not reckon with the Railway Switchmen. Maybe we ought to have issued a postage stamp for them instead of the Engineers last year.

Anyhow their acts are playing havoc with mail all over the country, not to speak of many other things and it seems that it is high time that our Congressmen are figuring out some way that such things can be prevented rather than playing politics as they usually do.

Not being a politician I have no fear of the consequences of my thoughts on such a subject and will proceed to express an opinion that could help cure such situations.

In these days of immense business corporations and strong Unions, either side practically controls that service which it provides to the public. In this instance the Railroads on one hand and the Union or BRT on the other. These two groups practically have a monopoly. The railroads have the monopoly in Railroad while the Union has a monopoly on working for them since they would not permit anyone else to work for them. Therefore in any such instance there should be no strike for their duty is to serve the public and the public has the first call on their consideration. Any stoppage of the service to the public should be penalized by heavy fines, fines so heavy that neither side could afford to face them.

Would you admit that because of some grievances the Gas Company that supplies your home with gas for heating purposes, could shut off the supply on one of these winter days. Even if you are a strong Union man you would loudly object, yet the Company for a grievance would have as much right to strike as would the employee who could bring about the same situation. Where there is a service that affects the general public there should be a "no strike law" of some sort. A national board of arbitration should be set up for handling all such trouble and its findings should be binding. It is for reasons like the above that your Linn's Weekly is now delayed. It is printed, laying here in sacks ready to go but no service to deliver it. Give us something besides politicians in Congress who do not count the votes at the next election and we may cure these ills.

## DOUBLE IMPRESSIONS—by Well

"I'm just looking for that thing Sis says she's keeping you on—because you're the only traveling salesman boy friend, out of all eleven, who uses commems on his letters to her."

## Kehr Honored By Spanish Academy

According to word received from H. E. Luis Rodriguez Miguel, Director of Posts and Telecommunications of Spain, and general secretary of the Academia Iberoamericana de Historia Postal, Ernest Kehr, has been elected to the Academy with the title of "Academia de Honor," at the 1950 congress held in Spain on Nov. 25.

The Academy is composed of Postal Officials of all Latin American republics, the United States, Canada and Spain, and such individuals as have contributed worthwhile work to the annals of postal history. Mr. Kehr, who is stamp news editor of the New York Herald Tribune, and was a member of the International Jury at the International Centennial Stamp Exhibition, held in Madrid from Oct. 12 to 22 to commemorate the centennial of the first Spanish stamps, became the 144th member of the Academy upon his election. He is the first philatelist in the United States to receive this distinctive honor.

The certificate is embellished with the seal of the Academy and coats-of-arms of all members of the Academy. The decoration, suspended by red, white and blue silk ribbon, is a gold medal shaped as the sun with the Academy crest (posthorn and quill pen) superimposed in red, ultramarine, blue and white enamel.

BY CARL P. RUETH

I now have official confirmation of the exclusive news which was given here in the column of January 22. There will definitely be a stamp to commemorate the final annual reunion of the United Confederate Veterans.

The reunion is to take place from May 30 to June 2 at Norfolk, Virginia. The first day city will of course, be Norfolk while the first day of issue has tentatively been set for May 30 the first day of the four day session.

As yet the Post Office Department hasn't announced this stamp or others planned for the 1951 program, to the general public. But Al T. Lewis, Director of the Convention Bureau, Norfolk Association of Commerce, has written, "We have been officially advised that the Post Office Department will issue a Commemorative Stamp in connection with the final Reunion of the United Confederate Veterans to be held in Norfolk May 30th through June 2nd of this year..."

Two other stamps I believe will be issued this year are one for Clara Louise Maass, the nurse who lost her life heroically when she submitted to the bite of a yellow fever mosquito in the course of medical research. She was born at East Orange, N. J. on June 26, 1876.

If there is a stamp it will probably be issued on June 26 which would be the 75th anniversary of her birth, and have its first day city at East Orange, N. J., or at Newark in which city is the Lutheran Memorial Hospital where she obtained her nurse's training.

The other stamp would be to mark the 250th anniversary of the founding of the place which was first known as Fort Pontchartrain. Later, a new fort built near the original site was named Fort Lernout which subsequently had a name change to Fort Shelby.

Present name of this city which is known the world over, is Detroit, Michigan.

1. Have any commemorative stamps of the last ten years pictured a Confederate soldier?

2. When was the last time that Detroit was specifically designated as the first day of issue city for a commemorative stamp? What was the stamp?

The closeness of Washington's birthday was responsible for my wondering how many collectors had ever formed a cover collection bearing postmarks with the name of Washington. There are a number of communities throughout the nation so named. It should be no trick at all, at least for next year, to get a cover cancelled at each one on February 22.

And, if you should want to dress up the envelopes with a cachet there are any number of ideas which you could use. Cut out pictures from magazines, a map of the state having the Washington, hand drawn pictures or perhaps just a typed or written line or two telling the nature of the cover.

States which have a Washington, are: Arkansas, California, Connecticut, District of Columbia, Georgia, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Michigan, Mississippi, Missouri, Nebraska, New Hampshire, New Jersey, North Carolina, Oklahoma, Pennsylvania, Rhode Island, Texas, Utah, Vermont, Virginia and West Virginia.

Other places which incorporate the name Washington, are: Washington Boro, Pa.; Washington Court House, Ohio; Washington College, Tenn.; Washington Crossing, Pa.; Washington Depot, Conn.; Washington Grove, Md.; Washington Island, Wis.; Washington Mills, N. Y.; Washington Park, Ill.; Washington's Birthplace, Virginia (I understand

that this office has a special postmark and cachet which it will apply to prepared covers); Washington Terrace, Utah; and a Washingtonville in New York, Ohio and Pennsylvania.

And if you wanted to do the thing up right, you could use stamps with Washington's picture on them. Still available at face are the 1c Presidential, the Washington & Lee commem., and if you wanted to stretch a point, the four National Capital Sesquicentennial stamps of 1950 all have the word Washington on them.

Other stamps which could be used, picturing Washington, and not worth too much ver face are the CIPEX souvenir sheet of 1947 and the 3c Stamp Centenary commem. Also the Washington Inauguration 3c of 1939; the 1c Army of 1936; the 3c Newburgh, (Washington's Headquarters) the 3c regular of 1932, Scott numbers 790-1-2.

Coming a little higher in price would be the Washington Bicentennial series, the Yorktown, the Braddock and the Valley Forge.

If you really wanted to do a deluxe job on such a Washington cover collection, you could bone up on your history, and his biography, and secure cancellations from those places which had some intimate association with him either from a military standpoint, or peaceful pursuit.

A few which come to mind are Mount Vernon and Alexandria, Virginia, Philadelphia, New York City and Valley Forge, Pa.

George Washington has appeared in the design of a United States stamp oftener than any other person. With Ben Franklin, he appeared on the first postage stamps issued by this nation in 1847, the 10c denomination. Since then he has been seen at frequent intervals in stamp designs.

Probably the most prolific philatelic tribute occurred in 1932 when a set of twelve stamps, all picturing Washington, was issued to mark the 200th anniversary of his birth. It is known as the Bi-Centennial issue.

Each stamp design bears a picture of Washington at a different age. It is easy to check that some of the portraits have been used for earlier stamps. As for instance, the portrait of the six center first was used for the 90c of 1860, then again on the 90c of 1861, and finally the Yorktown. It pictures Washington in the uniform of a general and is adapted from a portrait by Trumbull.

On the 1/2c the picture seems to have an engraving by de Mare based on a miniature by Peale. The 1c has a reproduction of the popular Houdon bust which has been used in other instances. Charles Wilson Peale's portrait of Washington as a Virginia Colonel, painted at Mount Vernon graces the 1 1/2c.

For the 2c, the Athenum portrait by Gilbert Stuart was used. This picture of Washington has been employed frequently. A portrait of Washington painted at Valley Forge by Peale was used for the 3c, while the 4c was also adapted from a Peale painting of 1777. Another Peale portrait made of Washington in 1775 appeared on the 5c, while the 6c was taken from a full length portrait executed by Trumbull. Trumbull again was represented on the 7c with a 1780 portrait of Washington. The 8c was designed from a crayon drawing by B. J. T. St. Memin made from life at Philadelphia in 1798.

The portrait used for the 9c denomination is adapted from a painting of Washington by Williams in 1795 which now hangs in the Masonic Lodge at Alexandria, Va. Some retouching had to be done here to make the picture acceptable since the original painting is of Washington in

Masonic regalia. The Post Office Department pointed out to the sponsors of this portrait that rules forbade them to picture any person in a fraternal capacity or with fraternal insignia.

For the 10c an adaptation of a Gilbert Stuart portrait was used.

As conceived originally, this series was to have been a pictorial one in the large commemorative size and was to have had denominations to the \$5. It also was to have had the denominations usually made into coil stamps and booklets appear in such form for this Bi-Centennial set.

Some things you might or might not know about the "Father of our Country"

—he was born at Bridges Creek, Westmoreland Co., Va.

—George was the oldest son of Augustine Washington by his second wife, Mary Ball. (This was the \$1500 question on the February 7 Groucho Marx radio show).

—Washington had three step brothers and a step sister from his father's first marriage, and three full brothers and two full sisters from the second.

—George was bequeathed his father's estate with the other children being well provided for. His brother Lawrence was given the home later to be known as Mount Vernon.

—Washington's military education came chiefly from Adjutant Furse and Jacob van Braem a Dutch soldier of fortune.

—Washington was bequeathed Mount Vernon by his brother Lawrence at the time of his death.

—on January 6, 1759, Washington married the wealthy young widow, Mrs. Martha Custis who had two children, John and Martha Parke Custis.

—at the outbreak of the Rev-

## Club Sponsors Cachet For Flag Day In June

For Flag Day, June 14, the Glen Ellyn Philatelic Club is sponsoring a cachet which will picture the United States Flag.

To obtain it, interested persons are to place their names and addresses well to the right side of the envelope, affix a 3c stamp, enclose a stuffer and leave the envelope unsealed, and send these prepared envelopes to Charles Weber, 612 Washington St., Naperville, Ill. before May 15.

There will be no charge for this service, but the club is asking that commems be used on the wrapper carrying the prepared envelopes.

The Glen Ellyn club has been working hard at plans to have a commemorative issued on June 14, 1952 picturing the United States flag in full colors. That date will be the 175th anniversary of its origination.

## Dealer Maintains Comprehensive Stock

It isn't very often that a dealer will spend the money for display advertising to sell items costing one or two cents each. One of the exceptions is Victor Hassel, P. O. Box 2946-L, Orlando, Florida who not only uses a lot of space to advertise penny items, but has the stock in mint and used stamps of the world to back up his offerings.

In the January 15 edition there was a comprehensive listing of the mint and used stamps of Argentina, Colombia, Cuba, Ecuador and Nicaragua, while on the last page of the present edition further offerings of the Central and South American countries are made.

At different times in the balance of the year Mr. Hassel will offer stamps from the remaining nations of the world. Collectors will do well to watch for them. Should there be specific items, or special countries of interest to a collector, he will be happy to quote on them.

## Offer Catalog Free On Request

A quantity of the catalogs listing and describing the stamps and seals of Cuba issued for the anti-tuberculosis work have been placed at the disposal of Linn's Weekly Stamp News for free distribution.

These have been made available through the courtesy of Dr. Ernesto Bello of the National Tuberculosis Council of Havana, Cuba.

Written in Spanish, the catalog is but eight pages and lends itself well to mailing. To obtain a copy, readers should send a number ten size envelope on which they have affixed a 3c stamp as well as their name and address. No requests will be filled otherwise.

Send requests to "TB Catalog", Linn's Weekly Stamp News, Sidney, Ohio.

## BRITISH EMPIRE CHATTER

by HENRY M. FRIEDMAN  
Box 21, Planetarium Sta.  
New York 24, N. Y.

ST. LUCIA. An order has been placed for printing a 12c St. Lucia stamp to commemorate the reconstruction of Castries after its destruction by fire in June 1948.

The design will feature a Phoenix in white rising from the burning buildings of Castries, and will include the Royal Cypher and Crown. The background will be light blue at the top shading to dark blue at the base. There will be a red tint depicting the flames. This stamp was mentioned in this column on October 23, 1950.

SEYCHELLES. In September 1950 announcement was made that a new definitive series of 15 values had been ordered and would include a new high value, 10 Rupee, which is probably not required for postal use. No date for release of this set has been announced.

Official announcement is now made that a set of postage due stamps will be released on March 1, 1951. There will be 8 values from 2c to 30c. The values in the center will be red, and the borders will be, 2c rose lake, 3c bright green, 5c buff, 9c orange, 15c violet, 18c Prussian blue, 20c chestnut and 30c lake brown.

This issue appears to be prepared for collectors, as it is difficult to visualize any necessity for eight different postage due stamps for this small colony with a total population of only about 35,000.

CYPRUS. Printing has been ordered for a new value for Cyprus, 4 Piastres, which will be the same size, color and design of the current 3 Piastres stamp.

Also ordered are changes of color of the 1/2 Piastre and 1 1/2 Piastre stamps with the colors interchanged. The new 1/2 Piastre will be violet and the 1 1/2 Piastre green.

FIJI. The long promised Fiji health stamps have finally been ordered and can be expected soon. The values will be 1d plus 1d and 2d plus 1d.

MALTA. The Princess Elizabeth commemorative set will be withdrawn from sale, at the close of business on February 28, 1951.

UNIVERSITY COLLEGE commemorative sets. The Crown Agents have released photos of the West Indies University College commemorative sets which were scheduled for release on February 16. The lower value of all sets will show the arms of the College and the higher values will show Princess Alice, Countess of Athlone in her robes as chancellor of the College. These advance photos indicate that these 14 sets will be attractive and probably popular.

FALKLAND ISLANDS. The current one shilling stamp, Scotts #91, is listed as dull blue at 28c. Gibbons list two shades of the stamp, pale blue at 10/- and deep blue at 1/3.

JAMAICA. The 1 1/2d brown of 1938 is listed by Scott as No. 118 and priced at 4c. Gibbons list a brown stamp at 3 pence and a light red brown at 50 shillings.

BERMUDA. This colony will soon have a 1 penny newspaper wrapper. The imprinted stamp will be of the same design as now on the 1/2 penny wrapper, but the color will be red.

## Camnitzer To Speak On German States Stamps

For their meeting of February 27, the Long Island Stamp Club will hear a talk by Dr. George Camnitzer on Old German States and see exhibits of these items from his collection.

Interested collectors are welcome to attend this and other meetings of the club held at 8 p. m. at the Franklin Hotel, 163rd St. & 89th Ave., Jamaica, N. Y. on the second and fourth Tuesdays.

## Offers European Stamps In Selected Condition

Collectors who have spaces to fill in their collections of European stamps will find the ad of A. C. Zalesky, P. O. Box 1289, Cedar Rapids, Iowa in last week's edition of February 12 a splendid place to start making selections of mint and used items to fill them. The ad covered pages eight and nine.

Mr. Zalesky gave prospective purchasers the choice of very fine to superb items, or those in the fine to very fine category, priced according to condition. Prices for the stamps and sets in the top select group seem to be no higher than the general retail average price for unselected copies. This alone is an advantage to purchasers.

Besides his offerings in last weeks Linn's, Mr. Zalesky is well stocked with the stamps of other countries. Inquiries can be

**A PRIZE IN JAPAN'S NATIONAL LOTTERY.** The above souvenir sheet containing five perforate stamps of the New Year's design was awarded to some of the winners in the annual Japanese National Lottery. They are valid for the payment of postage fees. The stamp carries the picture of a Japanese girl holding a rabbit symbolical of the fact that 1951 is the "Year of the Rabbit" in the Japanese Sexagenary cycle. This sheet is shown through the courtesy of T. Mizutani, 1927 Asai-cho, Yokkaichi Mie, Japan.

POSTAGE STAMP  
PARADE

LEONARD EPSTEIN

22 Beaver St. New York 4, N. Y.

**DENMARK**—According to the Danish Postal Philatelic Agency two stamps will be issued February 26 to mark the 250th anniversary of the Naval Officers' College. The stamps, designed by Viggo Bang and engraved by Bent Jacobsen, will be 1½ times normal size, and will show a sailing ship of the 1700 period. Values will be the 25 ore, in red, and 50 ore, in blue—both perf. 12½.

**FRANCE**—The beautiful Palace of Fontainebleau, one of the largest royal residences in France, has been depicted on the new 12 franc black-brown, according to the Tribune Stamp Co. The stamp, it is understood, appeared January 20. The exact origin of the place, and its name, is unknown, but the older Chateau was used during the latter part of the 12th century by Louis VII.

**GERMANY**—A four value set of stamps was recently issued for the German Democratic Republic (Russian Zone) for their contribution to the "Fight for Peace". A dove with a laurel branch is shown in the lower right hand corner and each stamp has an upraised hand. The 6pf., deep ultramarine, has a tank in the background; the 8pf., brown, shows an incendiary bomb; the 12pf., blue depicts an atomic bomb, and a 24pf., orange-brown, shows a military cemetery. Tanks, incendiary and

atomic bombs, and graves, are certainly a graphic story of what war might well mean.

**HUNGARY**—On January 8 a set of three postage dues was issued, according to the Hungaria Philatelic Society. Value are stated to be 8, 10 and 12 fillers. The set, apparently, was to have been withdrawn January 31.

**MALAYA**—The Malayan Postal authorities may issue a special postage stamp (semi-postal) in 1951 in aid of the Anti-Tuberculosis Association in Malaya if the Governments of the Federation and Singapore accept the suggestions put forward by the Singapore Anti-Tuberculosis Association in its annual report for the year 1949-1950.

**SAN MARINO**—The Republic of San Marino has just issued another stamp to commemorate the 75th anniversary of the Universal Postal Union, according to Vittorio Lo Bianco. This is the third and last postage stamp to be issued by San Marino for the occasion.

It was expected on or before December 31, but for technical reasons it had to be delayed somewhat. The first commemorative was a 100 lire stamp, issued in souvenir sheet of six, now rather unobtainable on the market. The second was a 200 lire airmail. The new adhesive is a 300 lire airmail, also in souvenir sheet of six, of the same design as the earlier stamps, showing Mount Titano and a mail coach pulled by six horses. It is stated only 6,000 such sheets exist.

**YUGOSLAVIA**—A definitive set of stamps is now in preparation, according to Jugofilatelija, and will symbolize the various branches of national economy, such as metallurgy, ag-
